Dear [redacted]

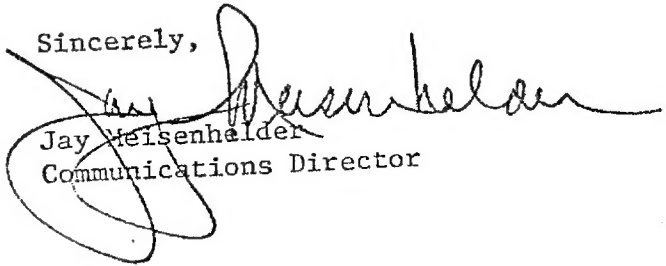

In accordance with your request in our phone conversation this morning, I am writing to ask you to give our office a response to this question:

"Has any institution in Illinois (hospital, university, college, etc.) been involved in any behavior modification experimentation by the Central Intelligence Agency such as that described in the Washington Post story today, which, evidently, was code-named MKULTRA?"

If the answer is yes, we would like, if possible, a list of the names of those institutions, and any other information which you feel would be relevant.

Please send your response to me at the above address. Since we have interns opening mail, please mark the envelope "Personal." This will prevent undue circulation of the material.

Sincerely,

Jay Weisenfelder
Communications Director
